

A Message to Parents & Guardians

Now that the school year is coming to a close, it is important to promote daily reading during the summer to strengthen your child's reading skills. Encourage your child to read for pleasure as well as for information. Involve your child in programs at bookstores and the public library. Take books on trips and discuss what your child is reading. Be a role model by reading to your child and with your child.

This brochure lists titles recommended by Upper Dublin teachers for summer reading. The books represent a variety of reading levels and interests.

Have your child list the books he or she reads on the attached form, and return the cut-off section to his or her 6th grade reading teacher by Friday, September 9, 2016.

Best wishes for a summer full of adventures through books!
